## **Research Participants Needed**

**Are you a STEM (Science, technology, engineering or mathematics) graduate or a Business and Management graduate or a Law graduate from a UK University?**

**Are you of White or Black British ethnicity? Living in the UK and currently employed?**

**This PhD research seeks to explore the employment outcomes and experiences of Black British graduates and White British graduates in less diverse industries.**

**Interviews will last only 30 minutes and your contribution will help towards improving the employment experiences of minority graduates in the United Kingdom through research, knowledge and insight.**

**For more information or to participate please contact Oshone Mshelia [mshelia@aston.ac.uk](mailto:mshelia@aston.ac.uk) or scan the QR code to complete the contact form.**
