

LED Power Supplies

320w PSU 24v Meanwell RSP

Specifications

Wattage	320w
Current	0-13.4amps
Output Voltage	24v
Inrush current	40amps
PF (Power Factor)	>0.95
IP Rating	IP20
Input Voltage Range	88-264v
Dimensions	210mm*115mm*30mm
Tc (max surface temp of unit)	
Max recommended load	275w

Universal AC input / Full range

Built-in active PFC function, PF>0.95

Protections: Short circuit / Overload / Over voltage / Over temperature

Other features:

- Forced air cooling via built in fan
- 1U low profile 30mm
- Optional conformal coating models (RSP-200- CC)
- LED indicator for power on
- 3 years warranty

Safety Standard :UL60950-1, TUV EN60950-1 approved

EMC Compliance to EN55022 (CISPR22) Class B, EN61000-3-2,-3, EN61000-4-2,3,4,5,6,8,11, EN55024, light industry level, criteria A
