Institution Of Engineering Technology Volunteer

Pending

Application closing date: 13-Dec-2023

The IET has many exciting volunteering roles available, in particular, the West Yorkshire Local Network is looking to fill the following positions:

IET Young Professional Ambassador – Our YP ambassadors are responsible for representing the IET – especially its young professional members – through inspiring, engaging and collaborating.

You will take an active role in your respective Local Network and share the most successful events with other YP Ambassadors to share best practices and advice. More details at <https://www.theiet.org/media/6837/young-professional-ambassador.pdf>

IET Community Activity Organiser – Taking responsibility for one, or a series of community activities and lead on/coordinating the delivery of the activity so that the activity runs successfully.

- Are you interested in getting involved with your local community?
- Do you enjoy working as part of a team, with a view to running a successful event?

Working with the Community Activity Executive, you'll be taking leadership responsibility for a specific activity or series of activities, securing venues for these activities, liaising with the Treasurer regarding budgets, and advising on the appropriate publicity. You'll also be required to source appropriate support to run the activity and ensure that metrics are recorded and submitted to the Community Operations team. See more details at <https://www.theiet.org/media/5760/community-activity-organiser.pdf>

Volunteering Activity Event Planning / Assistance

How often are volunteers required to attend? Flexible

Do you have a volunteer induction / training programme? No

Does your organisation have Public Liability Insurance? Yes

Accessibility Adjustments Yes

Please tick to confirm you have read our Volunteering Agreement Yes

About IET West Yorkshire Local Network

Main business: : Volunteering | Charity

We are the engineering community of the Institution of Engineering and Technology (IET) in West Yorkshire.

Lead by volunteer IET members, we promote our institution's charitable mandate to support local IET members' professional development and strive to raise awareness of STEM generally through our organisation of industry and academic talks, events, and visits.

Working with IET partners based in the county, including small-medium businesses, large corporations, academic institutions, and education providers, we aim to engage both established and young industry professionals, students, and members of the general public to promote the ways that engineering and technology can contribute to improving our world.

Disclaimer: Whilst the IET West Yorkshire Network is run by IET members for the benefit of IET members and the wider world of Engineering and Technology, the opinions of its members do not necessarily represent those of The IET as an organisation.
